****ONSITE Venue Manager for Wedding Day.***

***ONSITE Venue Manager Services include:**

- Wedding Rehearsal: On-Site (does not run rehearsal).
- Oversee Venue set up: property preparation / tables & chairs set and ready according to event map.
- Available by phone during the morning/afternoon for: emergencies, questions, and any venue related issues.
- Arrives onsite in the afternoon and stays until the end of the night for venue wrap up and closing down.
- This service is to ensure the venue is operating smoothly and to have someone onsite/available to trouble shoot any issues with vendors or the wedding in relation to the venue. NOT a wedding planner.
